and vegetarian option
provided courtesy of the
Ramada Grange.

There are limited spaces –
book your place by emailing:

info@hrdept.co.uk

**Don't let your staff drive
you out of business!**

1,000 people are killed and 100,000 injured
whilst driving for work. If you're held responsible
for a death at work it could mean a **2 year prison
sentence or £10,000 fine.**

**Apart from that your vehicles represent a
huge investment and you need your drivers
to look after them.**

The HR Dept has joined forces with Hayes Parsons
Insurance Brokers, Alice Cox of Driving at Work
and the Ramada Grange Hotel, to present an
informative and constructive seminar designed to
show you hints and tips to stay on the right side
of the law and save you money.

**This seminar is your get out
of jail free card!**
